Executive Producer, Bill Geddie to Receive Lifetime Achievement Award

Nominations Announced on the "Today Show"

New York – May 9, 2012 – The National Academy of Television Arts & Sciences (NATAS) today announced the nominees for the 39th Annual Daytime Entertainment Emmy® Awards. The nominations were announced live this morning by Kathy Lee and Hoda on the "Today Show."

The Daytime Entertainment Emmy® Awards recognize outstanding achievement in all fields of daytime television production and are presented to individuals and programs broadcast from 2:00 a.m.-6:00 p.m. during the 2011 calendar year. This year's gala will be held at the prestigious Beverly Hilton Hotel on Saturday, June 23rd, 2012 in Beverly Hills, CA.

The Daytime Creative Arts Emmy® Awards gala, which honors the crafts behind the many shows that grace the Daytime genre will return to the Westin Bonaventure Hotel in Los Angeles on Sunday, June 17th, 2012.

This year's Daytime Entertainment Emmy® Award for Lifetime Achievement Award will be presented to Bill Geddie, Executive Producer of "The View," for his contributions as writer, producer and director in his more than 30-year television career.

"Bill Geddie is an icon in the television industry," said Malachy Wienges, Chairman, NATAS. "When he and Barbara Walters created "The View" 15 years ago, they introduced a new and innovative daytime television talk show format. We at the National Academy of Television Arts and Sciences are proud to have Bill receive our 2012 Daytime Lifetime Achievement Award."

Regarding the possibility of a 2012 Daytime Emmy Award telecast, Wienges noted that negotiations are continuing with several media outlets.

The 39th Annual Daytime Emmy® Awards is a presentation of the National Academy of Television Arts & Sciences in cooperation with the Academy of Television Arts and Sciences.

A breakdown of the awards by network, as compiled by the independent accounting firm of Lutz & Carr, LLP, follows.

A full list of all nominees in all categories can be downloaded from our website at www.emmyonline.tv.

About The National Academy of Television Arts & Sciences

The National Academy of Television Arts & Sciences (NATAS) is a professional service organization dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational and technical achievements within the television industry. It recognizes excellence in television with the coveted Emmy® Award for News & Documentary, Sports, Daytime Entertainment, Daytime Creative Arts & Entertainment, Public & Community Service, and Technology & Engineering. Regional Emmy® Awards are given in 19 regions across the United States. NATAS also presents the National Academy of Television Arts and Sciences Global Media Awards™ which recognizes excellence in the world-wide intersection of digital entertainment and technology. Beyond awards, NATAS has extensive educational programs including the Regional Student Television Program and its Student Award for Excellence for outstanding journalistic work by high school students, as well as scholarships, publications, and major activities for both industry professionals and the viewing public.
